From The President

For some reason, this has been the hardest of all my letters to just sit down and write. We have really had a great start to the year. The Fashion Show was a huge success, the book club has had a brilliant meeting and there was a very nice dinner meeting.

This month is huge for FUNDRAISING! The Charity Campaign is in full swing with letters having gone out, phone banks and email blasts. I am not sure if anyone actually reads this letter each month, so I am going to give everyone an incentive. For every club member and member elect, if you send me (sbroecker79@gmail.com) an email this month with the subject line "Yes We Care", I will donate \$5 to the Charity Campaign

in your name - hey you will be that much closer to your goal and I will know I am actually reaching someone other than the LOG editor.

I would like to encourage everyone to come to at least one of the Phone Banks. I think that they are the easiest way to raise money for the Charity Campaign.

It was great to see everyone at the Fashion Show on the 29th. If you weren't able to make it was a smashing success; I can see why other groups in Louisville are trying to copy our ideas. Jennifer Reece and Jessica Moore made the evening unforgettable, Heather Price put together some great looks for the fall, Hunter Weinberg did her magic with all of our artwork, Katie Zeitz organized the Boutiques, and Sheri Dasgupta sent all the emails and kept up with all the tickets sales. When you next see these women, please make sure to thank them for all their hard work.

I hope to see most of you this month at our Fall Business Meeting or at any of our many events over the month. Please be mindful and respond to the Evites as soon as possible.

WE'RE GOLDEN...WITH YOUR HELP!

The Golden Rule Chair would love to know about opportunities to lend a helping hand amongst our members...so please be in touch (contact info below) if you know of any births, deaths, illnesses, or events within the YWC that need our attention. We send cards, deliver meals, give an encouraging phone call...whatever we can do for others, we will! It takes a village (or a Club) after all.

And...if you are interested in offering your helping hands to spread the Golden Rule love, we'd love to hear from you, too! Whether baking cookies or mailing a short note, let us know if you can help us help others when they need it most. Thank you!

MORE COMMUNITY SERVICE OPPORTUNITIES

The Brain Injury Alliance of KY (BIAK) is a wonderful nonprofit organization supporting those impacted by brain injury. BIAK is looking for volunteers to help with one of their largest fundraising events.....the Brain Ball and Brain Ball Lounge on November 18th, 2011 at 6:30pm.

If you are interested or know someone interested in helping please email Jacquelyn ("JJ") Graven Bowman at drgraven@gmail.com by October 17th. Help is needed with set up, take down, auction items, and check in. The event is from 6:30pm to midnight. There is likely some flexibility in time commitment as you could volunteer for the ball or just the lounge. If you are not interested in volunteering, but would like to attend the event you can also purchase tickets on the website. Here is a link to the Brain Ball website: <http://www.biak.us/node/203>
