From The President

Hello Ladies,

We are really starting the year off with a BANG! We have had such a great summer. There has been a great group meeting for Supper Club at different restaurants around town (usually taking advantage of half price wine night). We also had a fabulous Member-Elect Dessert Reception at the Frazier House.

This month we start strong with a Wine Tasting at 610 Magnolia. This is our "Kickoff" event put on and organized by our Fine Arts Co-Chairs. The cost is \$30 for a small tasting menu and 5 flights of wine.

We then have a general meeting at The Woman's Club. Jill Lemmenes is going to speak to us about how our donation to Down Syndrome of Louisville is impacting the lives of the children they serve. Dinner is going to be catered by The Catering Company and will be \$15. Because we are having our meetings at The Woman's Club, we are able to bring in our own drinks so please remember to bring your favorite beverage.

Let's keep the momentum going and continue to support events that our members work hard to plan. Several events will be available in the upcoming months such as Community Service events, Phone Banks, and Supper Club. And, of course, we are all anxiously waiting to attend the Fashion Show on September 29th! The Fashion Show is our second largest fundraiser and is a great way to introduce friends to the YWC. Don't miss out, buy your tickets today!

Lisa Bonick is following the momentum started last year with the Charity Campaign emails. We believe this will actively aid in raising more money for our deserving charities. If you have more email or mailing addresses please contact Lisa as soon as possible so your additional contacts can be included.

I know we all like to have fun, but it is also time to work hard and raise money for the deserving charities we support. Ask current patrons to give a little extra this year, go out and solicit donations from new patrons, and donate/solicit silent auction items and corporate sponsors for the Charity Ball. GO THE EXTRA MILE!! My goal is to raise \$100,000. Can we do it?? Of course, we can!! We are all strong and independent women who aren't afraid to roll up our shirt sleeves and get to work on causes we believe are worthwhile. Our membership has more than doubled in the past two years. We have new members, new resources, new ideas and new enthusiasm. Let's use it all to our advantage!

Last but not least, I want to thank our board members who are making this year such a success. It is an exciting time to be a part of the YWC!

WE'RE GOLDEN...WITH YOUR HELP!

The Golden Rule Chair would love to know about opportunities to lend a helping hand amongst our members...so please be in touch (contact info below) if you know of any births, deaths, illnesses, or events within the YWC that need our attention. We send cards, deliver meals, give an encouraging phone call...whatever we can do for others, we will! It takes a village (or a Club) after all.

And...if you are interested in offering your helping hands to spread the Golden Rule love, we'd love to hear from you, too! Whether baking cookies or mailing a short note, let us know if you can help us help others when they need it most. Thank you!
